Dear Commissioner:

As a supplemental amendment to the Substitute Specification and Claims filed
March 20, 2003 and as associated with a Petition to Revive which was in response to the
communication from the Examiner dated August 16, 2000, 2001, please consider the
following:

SUPPLEMENTAL AMENDMENTThese specification and claim amendments submitted in the new format

"Pre-OG Notice". Hence, for each amendment to each distinct section of the
application, a separate sheet will be employed per the "Pre-OG Notice". Separate

1 sheets will be commenced for a.) Introductory Comments; b.) Amendments to the
2 Specification; c.) Amendments to the Claims; and d.) Remarks. It is observed that
3 for claims, all claims will be displayed where any amendment is made to any claim.
4 Amendments to claims shall be shown by strike through for deletions and
5 underlining for additions. Amendments to the specification will be by strikeout and
6 underlining. No separate "clean" version is provided for either amendments to
7 claims or specification. In this Petition to the Commissioner and Response to the
8 Examiner's action, the application is set forth as a substitute application. The
9 source supporting each amendment to either claims or specification is from that
10 originally submitted with the original application re: specification and claims and as
11 derived from an examination of the drawings.

12 CERTIFICATION OF NO NEW MATTER

13 Pursuant to 37 CFR 1.125, it is certified that no new matter has been added
14 by this supplemental amendment.

15 FEES OWING

16 The applicant respectfully observes that these supplemental amendments are
17 timely made and that no fees are required.
